Market Position:

Grazia, Italy's best selling women fashion weekly magazine, was launched in Russia in March 2007 to become Russia's first fashion weekly.

The magazine's readership is comprised of up-scale, sophisticated women aged between 20 and 40 years-old who are always open to new experiences. The women targeted are sociable and independent, career-oriented, urban and have an average-to-high income. Those women are on top of the latest fashion trends and follow the most glamorous high-level events.
