**WEBSITE PROFILE:**

Launched in 2007 for the announcement of iPhone, the main aim of this blog is to provide information about news, advice and accessories for iPhone-owners and accurate information (video and tests) for non-iPhone owners. It has a free mobile app available on app store called i-info (already 600 000 downloads), which is also the app for its twin website for iPads, VIPad.fr. The website contains around 20 categories about various iPhone topics like applications, videos, tests, jokes... With 400 000 daily consultations, 16500 twitter subscribers and 12000 Facebook fans this website is the leader of the French web community interested in iPhone products. Thanks to its position it can provide both internet and mobile visibility through its Website, its twitter and FB account (sponsored notes) and special offer campaigns to position an app on the top of the app store ranking.
