EDITORIAL CONTENT:

TV Grandes Chaînes is a brand-new idea in terms of television guides. This magazine only offers listings for the 6 French terrestrial channels, without making any reference to cable or satellite. Following the “less is more” motto, there is room for larger graphics, a clearer editorial layout and more in-depth review with personalized angles. Each day is spread over 2 pages, with one page for daytime viewing and one for the evening. This simple formula makes **TV Grandes Chaînes** an accessible and easy-to-use guide, offering more articles about the programmes, more of the celebrity news that viewers want.
