The Website of the Spain's Leading Fashion Magazine

## **MARKET POSITION:**

**Woman.es** is a website which faithfully represents the Spanish fashion magazine. Launched in October 1992, **Woman** has reached a solid position among the top fashion magazines. In just over three years, it has become the leading fashion magazine. **Woman** is constantly increasing its circulation, readership and advertising market share whilst its competitors have difficulty maintaining their figures.

The **Woman** magazine has a high percentage of female readers (93%) and makes an ideal place to target young women with a high disposable income. 48% of its readers aged between 25 and 44 mainly from A, B and S social classes (70%)\*.
